We are so grateful for the on-going generosity of our many parents and grandparents who volunteer in our school in many different capacities. They are a big part of the success of Ss. Peter & Paul Catholic Grade School and our students and staff are very appreciative of their support. If you are able to help us, we have many opportunities available ranging from occasional help to regular daily/weekly helpers. Please take a moment to look over the following opportunities and choose as many as you are willing or able to assist us with by checking the appropriate box/es. In addition to this list, there are many parish sponsored events throughout the year for which you can volunteer as well. Again, thank you all for your continued support and generosity of your time and talent. Please return this form to the school office by Friday, August 21st.
